

Duke in the 14th District

Rep. Jeff Jackson (D-NC)

NCShare Network

Duke partnered with Davidson College, North Carolina Central University and MCNC to form the North Carolina Shared Research & Education collaborative infrastructure (NCShare), which has received support from the NSF. NCShare aims to provide high-speed research network capacity, support high-performance computing, and boost STEM education to at least eight minority-serving, smaller, or mid-sized institutions of higher education throughout NC.

Benjamin N. Duke Memorial Scholarship

The B.N. Scholarship provides five incoming students full cost of tuition, room, board and mandatory fees for four years of undergraduate education. The award is given to North Carolina students – including one from the 14th district in 2020 – who have demonstrated high academic achievement, a commitment to community service and potential for leadership.
